Mr. Suresh Babu Damera
Director

“Our priority is to hold integrity of education and join our hands with kid in his future path of excellence”.

We, at Neo Geetanjali School, aspire to produce the best product of knowledge to present to the nation. On our oath, we are taking responsibility to serve the education with core values and cheering up the system of education with multiple somatic and hypothetical activities.

The aim of education is to enlighten one's mind so that one could have a broader outlook. Education presents the truth of life in a beautiful way for the welfare of human race. The truth of life is imparted to students as the essence of knowledge. Children are made not only professionally perfect but also morally sound to follow the path of reality in life.

“School is second home to child without parenting but with the Guidance to the Future”

Grand welcome to all the parents, who are starving to take a stand for their child's bright future and to create spectacular academic and activity platform to children. Blissful blessings to all the children and wishing you congratulations to be a part of our second home.

The real purpose of education is to create better human beings, aspiring to become better, must be greatest-motto of a student. It is equally important for the teachers to put their tireless efforts in right direction. To make a child intelligent is comparatively easy but to make him conscious about human values and moral ethics is rather difficult.

Vice-Principal's Desk

Ms. Kavita Sharma
Vice Principal

“At Neo Geetanjali School, education goes beyond textbooks. We nurture creativity, critical thinking, and strong character, shaping students into confident, ethical, and socially responsible individuals. Alongside academic excellence, we instill values like integrity, empathy, and perseverance, preparing them to adapt and thrive.

We believe in holistic development, encouraging students to engage in extracurricular activities that enhance leadership and teamwork. Innovation and curiosity are at the heart of our learning approach, ensuring students are equipped for the challenges of tomorrow.

Let's continue inspiring young minds, fostering a passion for learning, and empowering students to lead with confidence, compassion, and innovation.

Farewell

A speech by teacher

A very pleasant evening to our respected dignitaries, dear teachers, and beloved students, Today is special-not just because you're graduating (or should we say escaping!), but because we might finally stop hearing, “Ma'am, just one more mark, please!” You've battled exams, homework, and the ultimate challenge-waking up early. Some of you stood out for brilliance and leadership... others for submitting blank answer sheets with full confidence.

From legendary group projects where one worked and all posed for credit, to the ever-classic “Ma'am, I forgot my notebook” (did it ever exist?), you've made your mark.

But jokes aside, as you step into a new chapter, remember:

1. Hard work works-especially if you start early.
2. Failures? Just plot twists.
3. Be kind-even to future teachers hearing your upgraded excuses.
4. Treasure your friends-they've seen your worst and stayed.

We're proud of all of you-even the deadline-dodgers. Now go out, make mistakes, chase dreams, and yes-return those library books!

We'll miss you. All the best!

“Education is not merely about acquiring knowledge; it is about shaping character, fostering curiosity and instilling a lifelong love for learning. At Neo Geetanjali school, we believe in nurturing young minds, equipping them with skills and preparing them for a world of opportunities.

In today's dynamic world, adaptability and resilience are just as important as academic excellence. We encourage our students to embrace challenges, think critically and develop a sense of responsibility towards society. With a dedicated faculty and a vibrant learning environment, we aim to create future leaders who are not only knowledgeable but also compassionate and ethical.

As we move forward, let us continue to work together - students, teachers and parents - to build a strong foundation for a brighter future. Let's celebrate the joy of learning and strive for excellence in everything we do.

News Story

Neo Geetanjali School (NGS) hosted a vibrant and meaningful Diwali celebration that left a lasting impression on its students.

A captivating puppet show and a series of engaging activities were conducted for the Pre-Primary students that combined learning with fun, fostering an appreciation for the cultural significance of the festival.

The festivities began with a puppet show that brought to life the story of Lord Rama's return to Ayodhya and his victory over the demon king Ravana. Handmade, expressive puppets illustrated the narrative, emphasizing values such as the triumph of good over evil and the importance of family and homecoming.

Teachers, students, and staff joined in, filling the space with a collective glow and a sense of unity. A graceful dance performance by students further captured the joy and energy of Diwali, adding vibrant color and enthusiasm to the occasion.

In a thoughtful move, teachers, students, and staff shared important messages on celebrating Diwali, emphasizing an eco-friendly Diwali. They stressed the need for greener practices like using clay diyas instead of crackers, urging everyone to prioritize safety and environmental consciousness.

The school grounds were transformed into a vibrant space, with small pots, colorful umbrellas, and rain-themed decorations setting the scene. Teachers and staff ensured that the children spent the evening in a safe and supervised environment.

The activities included a Dance Party where children danced joyfully under artificial rain showers. There was a Puppet Show, which had specially designed puppets allowing children to jump and spin around, to story.

Morning assembly reflects values and positive vibes

Neo Geetanjali School witnessed an inspiring and vibrant morning assembly conducted by the Pre-Primary (PP-II) students, beautifully blending tradition, patriotism, and learning.

Commenced with a prayer infused with a sacred shloka, filling the air with serenity and reverence. The young voices reciting the shloka reflected the deep-rooted cultural values instilled in the students from an early age.

Following the prayer, the students sang the National Song with enthusiasm and pride, showcasing their love for the country. The students then took the Pledge, reaffirming their commitment to the nation's ideals and values as responsible citizens of India.

A student shared a simple yet profound "Thought for the Day," encouraging everyone to embrace positivity and kindness in their daily lives, highlighting the power of good thoughts in shaping actions.

The well-coordinated assembly reflected the students' pride in their heritage, ready to contribute positively to society.

Celebrating Onam with joy and cultural spirit

The Pre-Primary students of Neo Geetanjali School celebrated the vibrant festival of Onam with great enthusiasm and cultural fervor. The event, filled with traditional colors and joy, began with a beautiful floral rangoli (Pookalam) meticulously created by the teachers.

The celebrations were officially inaugurated with the lighting of the lamp by Principal Rama Devi Perni and Vice-Principal Supriya Sahon. Teachers, students, and staff joined in, filling the space with a collective glow and a sense of unity.
